2. Health Officer's letter No. 262, dated 7th December 1898, suggesting the substitution of tiled roofs in lieu of mud roofs to houses at present existing in the City of Bangalore.

Resolved that the question be deferred for consideration in the next meeting and that in the meantime information be collected regarding the bye-laws in force in the Civil and Military Station on the subject.

3. Consideration of the Memorandum drawn up by the Vice-President showing the present financial condition of the Board.

Resolution :—The Board expressed their regret at the present state of the Municipal finances as brought to notice.

It was resolved that a sub-committee consisting of Messrs. D. Venkatramiah, D. Ranga Rao and R. Raghunatha Rao with the Vice-President be formed to examine the accounts thoroughly and submit a report, and that in order to meet the current expenditure the Government be moved to advance Rs. 10,000 to meet establishment and other emergent charges and a further sum of Rs. 6,000 for the steam road-roller recently purchased, pending submission of definite proposals.

MARIKANAVE DIVISION.

Dated 18th February 1899.

Notice is hereby given that sealed tenders will be received at the office of the Superintending Engineer, Marikanave division, up to 9th March 1899, for excavating the north saddle for a weir to the proposed Marikanave reservoir. The work is divided into 3 sections. An approximate estimate of the quantities in each section is given below. The work should be completed by June 1899. The competitor may tender for one or more sections of the work.

2. The plans, detailed estimate, and conditions may be seen at the office of the Superintending Engineer, between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Superintending Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or currency notes, as earnest money, and be superscribed "Tender for excavating north saddle for a weir.,—Marikanave works;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the accepted tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the office of the Superintending Engineer in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply. On acceptance of the tender the earnest money on rejected tenders will be returned.
